[Looking through photos for photobook]

A Right Noah, stop playing with this a minute.

Q No that's OK, just as is. So we'll just look through them first.

A Oh that's a cute one.

Q Who is this?

D Me.

Q No? You don't like it? Do you not like pictures of yourself?

D ??? a cute one of....

Q Ah, all the dolls on the shelf with the Playmobil figures.

A That's a cute one. Is that Noah's hand?

Q No, Noah was downstairs with Alex when we were doing the play tour.

A Ah.

Q I suspect it could be you. That's a nice one.

A Yeah, that's a good one, Jacqueline's focusing on it.

Q Yes, and I remember you were explaining to us lots of details about some of the models that you've been....

A Jacqueline's there, a little person climbing slyly away.

Q Oh really, what on this one with the....

A Yeah.

Q Is it the boat?

A Yeah.

Q Is it the Wonder Woman figure that was in there?

- A Yeah.
- D Click!
- Q Do you want to do it?
- D Yeah.
- Q Thank you.
- D Go, go, go.
- Q Just go slow though because you need a reaction for each one. Keep going.
- D Ha, look at mummy.
- Q I know, she won't be happy with that picture, but we did want to get you in.
- A Hmm, I look very suspicious.
- C ???
- Q You're laughing at your sister there with that monkey, was that a Fingerling one?
- A A Fingerling yeah, with the little baby, that's cute.
- Q She was telling me all about that.
- A Noah focused on his computer again, Nintendo.
- C No that's not a Nintendo.
- A What is it? Oh it's a tablet.
- C A tablet.
- A Oh I do apologise.
- C The Nintendo doesn't have that ??? on it.
- A Oh I apologise.
- C They're here.
- A Correct.
- C They don't have those little downy? things.
- A Oh, OK. Oh there we go.

C There, there we go.

D Look....

Q I think we'd better put those pictures in to help mum. Shall we have them as an instruction page in this photo book, do you think, side by side? This is the....

A This is a tablet.

Q You can explain those things.

A Mum!

C Really big.

Q Really big, we've put them enlarged yeah.

C When did that happen?

Q Well I don't know. I think that's....yeah I'm not sure, let's see if we can hear it on the screen.

A Aren't you focused on your....

Q Oh yeah Beth did this clever filming, didn't she?

A Oh that's a good one with the reaction in the mirror.

Q Yes, he's got you in the mirror so we can see your face. It's very arty.

A That's a good one, very arty yes.

C I don't want to play this any more.

Q OK.

C My turn.

Q Oh and that's it. But that's not many, sorry I should have put on more. Jacqueline do you want to have a little look through as well sweetheart?

D Yeah.

A Look at your pictures.

Q Right, shall we go backwards now?

A What do you think of these pictures sweetie?

Q And this is so ??? Thank you. Do you like that one with your....are they the monkey and his or her little baby one?

D Yeah.

A Fingerlings.

Q Are they the Fingerling ones you told me about, yes? And there's so much detail.

C What number's that?

Q It's a letter N. I've either got a long fingernail or I use it a lot, but N and S seem to have rubbed out, don't know why.

A I look very intrigued.

Q You do yes. There's some of you there Jacqueline, and that boat, do you remember showing us the boat?

C It's not a boat, it's a plane.

Q Do you like that one?

A And do you remember the little lady climbs inside?

D Yes.

A When it rains.

Q Jacqueline so just tell me about these ones. I don't mind you touching this, it's ??? Do you have any of these that you'd like to put in a photo book?

C Not that one.

D No.

A That's a good one.

Q Not that one?

A I like all these. Why not?

Q No that's fine.

A Any one part of play.

Q Anything that particularly reminds you of playing, or fun, or....

A Noah....shush.

D Mum!

A Oh yeah, that's me, my foot.

Q Trust you to notice things like that.

A I know, I didn't even know I was in the picture.

Q Whose window sill is that I ask myself? Who is this?

D It's a mummy.

Q Oh is it the mummy?

D And they're the kids.

Q Oh right.

D They're all alien.

Q Oh are they aliens, I was going to say is it a seal?

A That is a seal, yeah.

Q Oh right, quite a few.

A So is that one, that's a seal.

Q I don't trust my judgements any longer as to what is what.

D Well I think Jacqueline's made that up to be fair!

Q That's OK. So let's have a look through Beth's ones, and then we'll also look through mum's ones, and then we'll make a choice there, is that alright?

A Right, slow down.

Q I think we've done it now, I don't know how you've got to that, that's really interesting, I've never seen that screen before, you are clever. OK so let's go to....have you got your ones you sent me on the WhatsApp by any chance please, Lindsay, and then we'll look at those. Do you want to choose any of these? Do they mean anything to you about play, or fun? Oh and Beth has got some here.

Q2 So there's this one from the last visit I think. You building with the LEGO.

Q Oh yes the new LEGO from LEGO. What do you think? There's a big smile on Jacqueline's face there, I think that's....is that a yes?

D ??? yellow and purple.

Q That's right, are you looking at colours?

D Brown and red.

Q You'd sorted them all out hadn't you, that's lovely.

Q2 Shall I find the other ones for you as well? Yeah? I've not got many.

Q That's fine, no sorry I didn't get chance to look through, I should have done more.

A No, no it's OK.

Q We can get stills from the films if you've got....

A Oh yeah because I sent you all the videos didn't I?

Q You have, yes thank you so much. Are there any there that are particular favourites that you'd like to use, that put in you know something that means something to you about the study or things we've spoken about.

A Well that one seems quite good.

Q Was this when she was making like a theme park after they'd been to Gulliver's....

A This was what she's made. Yeah and I was filming Noah, and I went in her room and she was doing this.

D That's my room.

A Yeah, do you remember what you were doing there?

D Yes.

A What were you doing?

D Erm....??? going to the water park.

A They were. There's a water park over there. There. And what was over here? You said that if they want to get dry...what did you say?

D Erm...

A What was over there what you said, if they get wet...they can go and dry themselves in the summerhouse.

D Yeah.

A You said that they can go in the summerhouse and get dry.

A No they're all videos mainly.

Q That's fine though, we can take some stills out of them.

A It would be better from the...

Q Well do you want us to surprise you?

A Yeah.

Q We're happy to do that. That's the other one.

A That's a good one.

Q That's a lovely one, very engrossed there.

A Noah with his eye on there.

Q Oh with the crane, yeah that's lovely.

A Yeah.

Q OK.

Q2 I think Alex might have some more.

Q Might have some more, OK then. That's lovely.

Q2 But I've just got these ones.

Q That's fantastic. Thank you, we'll see how many, I can't remember how many we need for the book but that's really helpful.

D I'm putting that one up there mummy into a massive frog.

A I'm already a massive frog.

D I put her down but....

A You're on my lily pad so be careful.

D I put it down there, turn you into a teeth.

A Into a teeth, or tooth?

D Tooth.

Q A tooth!

A A tooth fairy or a tooth?

Q A tooth fairy. It sounds like something out of a pantomime.
