Q2 = Second interviewer (Alex)

A = Mum (Denise)

B = Dad (Travis)

C = Child 1 (Jeremy, aged 11)

D = Child 2 (Cerys, aged 9)

C ...then it's a Ford Car.

Q2 No qualifications, whatever pops into your mind. What did you think about?

C So even a computer.

Q2 That counts.

C Probably a computer or phone, those were the first ??? that I got.

Q2 Computer or a phone OK. So....

C I have a ???

Q2 OK.

C ??? chess.

Q2 Yeah.

C Basically ??? and then I sometimes like to switch it up. Literally when I'm ??? I've got my boards and my ??? formation across the board. One of the pieces ??? one piece ??? that board, you know the tactics ???

Q2 Right, how was that?

C I'm not actually sure because when you put in information I carried the ??? and I won, even though he knew the tactics to beat me, and I've only ??? using the tactics, I was just playing.

Q2 Gosh, that's impressive I suppose. You'll have to show me more about that. Maybe we could get the boards and demonstrate some time, not....

C I think I have a chess board.

Q2 Not this visit, maybe next visit we'll do that, is that OK?

C Yeah.

Q2 That would be great.

C And then I can show you what I do.

Q2 Yeah, that would be good.

C ??? just play random things because every time I come across someone I look at what they do first and then I think, and then I decide on what to do. And you think on what they do and then I ???

Q2 Very strategic ???

C I don't see a strategy, I just see me being ??? in the game.

Q2 Interesting. We'll talk about it or get a board so you can show me. You were talking about the computer, you thought that might have been your favourite toy, that's one of the things ??? what do you do on the computer, can you tell me a little bit about that?

C Roblox usually are the main things. Sometimes....well I do have Minecraft on there. At first me and my sister went on it a lot, but that was only in the past few days that we had it. Then we just kind of sort of left. Then we came back to it ??? how do I play ??? but it was our dad's. That was ??? one time ??? for about another 3 months, came back, wanted ??? because our dad was ??? at that time. And me and my sister sometimes play with this. Last time I played with it was probably ??? when I was about 9. We just kind of get them out.

Q2 Is it OK if I take a picture of this, is that alright?

C Yeah.
