Q2 So Jeremy, would you say that your computer is your favourite toy?

C Er....yeah, I would say that.

Q2 Do you think you think about it like that, do you really see it as a toy or is it....

C No it doesn't seem like a toy, but overall it really is. It doesn't seem like one but it really is. Thanks Cerys.

Q2 How much time in a week would you say you spend on your computer?

C Usually as much as I can get. Sometimes I just play on my phone instead. Six more did you say?

D Six more.

C Oh OK. Oh there's more shots than I have in this gun. Oh!
