C I also watch it on my phone.

Q2 Also on a phone, OK.

C But on my phone I not only play YouTube but I also have a lot of my games.

Q2 A lot of games, OK.

C I can't exactly remember ???

Q2 That's OK.

C But my phone is just upstairs, I can go and grab it.

Q2 We'll talk about it on another visit, is that alright?

C What?

Q2 We'll talk about it on another visit is that alright and you can show me then, is that OK?

C Yeah.

Q2 OK we'll do that then. Do you usually play on your....or look at videos on your phone and your computer at set times, before school or after school or anything like that?

C Not set times just randomly.

Q2 Just randomly, whenever, OK.

C Yeah. I've got an Xbox, sometimes I play on that.

Q2 OK.

C I don't watch TV, ??? I watch videos? when I was about 7, so a long time ago.

Q2 OK.

C Really not ??? any more. I sometimes watch it ??? but that's basically the only thing I do ??? but keep in mind I still don't watch it very often.

Q2 Yes OK. Do you usually watch videos with anyone else, do you watch them with your sister or any friends?

C What do you mean by watching....

Q2 Just with anyone else, or are you usually on your own or do you....

C With ???

Q2 Yeah.

C Yeah sometimes, but mainly on my own.

Q2 Mainly on your own.

C I'm more of a ??? introvert or extrovert, I'm more of an introvert because....I don't actually have many friends, only about 4, not many.

Q2 I think that's normal.

C Yeah you don't need to have many friends still, four isn't many.

A Jeremy, what's the computer game that you are playing most at the moment called?

C Roblox.

A Is it? You're back on Roblox? It was a different one he was doing.

B There's different versions of Roblox.

A Yeah, I think there was something else he was playing just recently but I can't remember the name. Yeah but Roblox it is again.

C That was Roblox, it's a game on Roblox.

A What's it called then?

C It was SoulShatters on Roblox, it was kind of...it's basically a person creating an Undertale fight game. Basically you can be like Sans, Chara Storyshift from another AO, which is an ultimate universe, and then there's also Asriel. Three of the four can teleport, Asriel and the main ??? so that you won't take damage.

Q2 OK. So that's a game about a game inside another game is it?

C Yeah.

Q2 Yeah? I was just making sure I understood that right.

C Yeah, a game about a game is ??? game.

Q2 Yeah, you're going to have to show me that if that's OK.

C Yeah.

Q2 Do you want to? OK. We'll do it at a different visit, different visit, don't worry, I'll put ??? as well. Sorry if that's frustrating because you want to go and do things but ??? we'll get to it. OK. So let me see if there's any more questions. Because usually people don't get through these questions as quick so I'm a little out of my ??? So usually when you're watching videos do you watch them in any particular place on your phone?

C Erm...

Q2 You take your phone everywhere. Do you have a desktop or do you have a laptop?

C I have a desktop.

Q2 A desktop, OK.

C So I have ???

Q2 Ah, so that has to stay where it is, you can't really carry it round.

C But I don't generally save? a place on my phone. I mean I do occasionally go ??? at times but really I'll just watch it anywhere.

Q2 Just anywhere, no real place.

C Anywhere that I feel comfortable.

Q2 OK. How do you usually feel when you're watching things?

C A bit ??? attracted, I do enjoy it at times. There are a few YouTubers that I ??? it just depends on my mood. Well yeah they make me laugh a lot, and basically they just try and make videos that ??? some people and I just crack out laughing because I find it so funny. And sometimes I even watch Scarry's ??? because ???

Q2 Oh, OK.

C So ??? I remember one nightmare as well ??? I'm like 'Clanger 1's a nightmare'.

Q2 OK.

C So every now and again I try to watch some Scarry ??? give me a nightmare, ah they always fails. But it does lighten up my mood because after I've watched it I have the adrenalin and I'm always just ???

Q2 Where do you get that from?

C Er...just kind of picked it up over time.

Q2 You picked it up over time, OK.

C Yeah, well actually that's my sister I picked it up from. She does that.

Q2 Ah she does that, OK. Do you know where she got it from?

C No.

Q2 ??? OK, so it's just kind of making its way through, OK.

C Well actually no, she kind of has always done that. She's doing them more often now though than when she was younger. And I know that she knew swearing when she was 3, I didn't even know what swearing was until I was 9. She's been swearing for about 6 years. Well me, I've only known it for 2.

Q2 That's interesting.

C I remember ??? say 'F you' and basically I asked to work it for Cerys to see if she knew what that word meant and she said 'it's swearing, I'm swearing'.

Q2 I see, OK.
