

Q Julia Bishop (researcher)
Q2 Alex Hetherington (researcher)
A Serena (Mum)
B Kawsu (Dad)
C Mallison (6)
D Essa (4)

C ...Hot Wheel cars

Q2 Are they?

C All my Hot Wheel track.

D I got two.

C ?? Hot Wheel track as well.

Q2 I wanted to ask about, you know the other when I saw you at school, got to do the VR thing, what did you think about that? Did you like it?

C The technology thing? Yeah. I like the dinosaur one.

Q2 What did you see?

C Like this dinosaur was poking on my head. I was like very small. I were like that.

Q2 Where was it? Was it like above you?

C Yeah, and it were like staring. Right in front, and I was there.

Q2 You think it was scary?

C No.

Q2 No, it wasn't scary?

C Cos I was like in this like car thing.

Q2 Yeah. How did you feel?

C Really good. Cos I couldn't feel anything. And ?? Because ??

Q2 Oh, that's scary.

C And then kicked him ??

Q2 That's not very nice. Poor dinosaur! What else did you think about that session? What else did you see?

C I saw this car. I didn't know if I could drive in it or what.

Q2 You didn't know if you could drive in it, I see.

C Yeah, I thought I could have driven in it. But I don't get. And I were like 'what the heck?' 'Is the world god???' Because ?? I were like 'oh no, has the world fallen down or what?' I thought I would just straight fall through. Oh it was so scary. I thought I were just gonna fall through a wall. It was funny.

Q2 Was it? That's good. Did you talk about the session with your friends afterwards?

C Yeah.

Q2 What did they say?

C It was awesome.
